Dear Sir / Madam,

\*\*\*\*\*

Shilpa's Tranexamic Acid Spray (Hemostatic Spray) is approved by CDSCO (DCGi)

Shilpa would like to announce its successful innovation of first in world topical hemostatic spray of Tranexamic Acid has received CDSCO approval. This novel formulation of spray is simple, easy to carry, convenient to use and a lifesaving tool. Clinically proven in humans and validated in robust swine trauma model. The product is approved for the usage of reducing or preventing hemorrhage and to reduce the need of replacement therapy during accidental and domestic injury.

- ❖ Quick hemostasis- controls moderate to severe bleeding within minutes
- ❖ Cuts, lacerations, puncture, stab wounds & combat wounds
- ❖ As potential life-saving tool in first-aid box for traffic/road accidents and battlefield injuries.
- ❖ beneficial in civilian prehospital care, emergency medical systems (EMS) and ambulance supply.
- ❖ Advanced Haemostat with dual mechanism of action
- ❖ Emergency Bleeding & pre-hospital trauma life support
- ❖ Anti-bacterial properties of chitosan reduce micro-organisms during transport
- ❖ Less chances of re-bleeding during transport to hospital

The product is protected by granted patents in India till 2037 and in US, Australia, Russia and South Africa till 2038. Shilpa is continuously pursuing patent prosecution in other countries and for further protection.

This is for your information and doing the needful.
