Sub: Mandatory Reduction in MRP on account of GST Rate change & Compliance with DPCO.

We thank you for being our trusted business partners.

As you are aware, our Hon'ble Prime Minister Shri Narendra Modi, during his address on the occasion of India's 79th Independence Day, highlighted and emphasized that the commencement of the next phase of indirect tax reforms aimed at maximizing its impact for businesses, consumers and the economy at large.

In continuation of this vision, the **56th GST Council Meeting held on 03 September 2025** has announced significant changes in the GST rates across various categories of goods and services. The key impact on our products is that the goods which were currently taxed at 18% or 12% have now moved into the 5% bracket. Accordingly, our products will now be under lower tax rate, though there is no impact on eligibility of input tax credit (ITC).

The Downward revision in GST rate mandates a corresponding reduction in the Maximum Retail Price (MRP) of all the affected products.

Consequently, in line with our intention of passing on benefit to our ultimate customers and ensuring compliance with regulatory requirements, we shall undertake a reduction in the MRP of our products.

This change will not impact yours or retailers' margin and list price shall remain constant.

We are attaching the detailed chart of all our products with revised MRPs for your ready reference and implementation.

We advise all our product that are sold by the retailers not above new MRP published for each product with the benefit of the reduced GST rate being fully passed on to ultimate customers.

We are aware that in case of goods which are in stock with you and the retailers purchased prior to 22 September 2025, will have old MRP however considering that Recalling, Relabeling or Re-stickering is not mandatory as **NPPA Circular F.No 12(24/2021/DP/NPPA/DIV II(VOL.II)-Part I dated 12th Sep 2025** but, it must be ensured that no undue benefit is obtained by selling those goods at old MRP.

All the Sales Invoice from 22nd Sep 2025 must reflect the New GST rate & Revised MRP in Invoice . hence update your Billing Software / Accounting System as per Latest Price List.

We request your full cooperation in implementing this important change seamlessly and ensuring that our customers experience the benefit of the reduced GST rate.

We encourage you to maintain regular procurement cycle to ensure smooth supply and business continuity during this transition.

We sincerely value your partnership and look forward to your continued support in upholding compliance with standards while delivering value to our customers.

Should you have any questions, kindly do reach out to us.

Thank you

Yours sincerely

For Shilpa Medicare Limited
